### FEATURES

- + Full-grained, hydrophobic smooth leather
- + Dust guard tongue
- + Enhanced scuff resistant TPU toe cap
- + Ankle protection
- + BOA® Fit System

- + Optimized thermal insulation for a dry foot climate
- + Full-length, removable comfort insole ERGO-SOFT

### OUTSOLE

#### Perbunan Florian, anthracite

- + Perbunan Outsole with a profile of 6,5 mm
- + Specially developed 3D negative profile for optimized grip on loose or slippery surfaces
- + High puncture and cut resistance with high mechanical stress level
- + Optimized ankle guide for better protection when using ladders
- + High acid and lye contact resistance
- + Consistent during extreme temperature changes from -40 to ca. 250° degrees

### CUSHIONING

#### SECURA VARIO® System

The replaceable, weight and pressure dependent heel shock absorption system ensures cushioning adapted to the individual needs of the wearer. The pressure load in the shoe is reduced to a natural extent and provides targeted relief to the back. At the same time, it helps to significantly reduce fatigue and increases the ability to compensate pressure loads by the leg and trunk musculature.

-  above 105 kg
-  up to 105 kg
-  up to 91 kg
-  up to 79 kg
-  up to 57 kg

The AGR quality cachet (Aktion Gesunder Rücken = Campaign for Healthier Backs): Certified and recommended by Association Forum Healthy Back – Better Living and Federal Association of German Back Schools.
